Memorial Service  
Pennsylvania Fire Police Assoc.  
May 15 2011  
Hepburn Twp. Vol. Fire--Lycoming Co.

The May 15, 2011 Memorial Service was opened at 1pm by the First Vice President John Johnston. He welcomed everyone to Cogan Station. First Vice President John Johnston then turned the Memorial Service over to the Pennsylvania Fire Police Chaplain Nelson Brenneman.

Chaplain Nelson Brenneman introduced the guest minister, Marion Anderson. Marion Anderson is affiliated with Trout Run Methodist Church. She read from, and spoke from the Beatitudes. She said that no words of Praise are ever enough to thank the Volunteers, but God knows what fire police volunteers do, and God will reward as only he knows how. Minister Marion Anderson spoke of her father, who had been a fire police in Warren Co. He passed away March 31, 2010, and was one of the deceased members who were honored at this Memorial Service.

Pennsylvania Fire Police Assistant Chaplain read Psalms 1:21, and then he read the names, and dates of death for each deceased member, and the county they were from. Pennsylvania Fire Police Chaplain Nelson Brenneman tolled the bells for the thirty seven members. The Bi Monthly Meeting immediately followed.
